DEDICATION

Barbara Wright

We, the class of 1994, dedicate this yearbook to Mrs. Wright for always being a hardworking, devoted, and loyal secretary throughout her sixteen years at Essex Aggie. Her pleasant and understanding ways were appreciated by all of us. We miss her very much and wish her the best always.

CLASS ADVISORS

Scott Hatch and Susan Afrow

The Class of 1994 cannot begin to express their appreciation to Mrs. Afrow and Mr. Hatch. Their support and guidance made our Junior and Senior years extremely fun, special and memorable. Their hard work and dedication did not go unnoticed.

THANK YOU! WE LOVE YOU!

FACULTY

ADMINISTRATION

Helen Hegarty, Principal

To the Class of 1994

I write this message to you two days after your graduation ceremony, an event that culminated your high school experiences. I cannot express how proud I was of each and every one of you as you walked across the stage to receive your diploma. For high school is more than a series of courses, more than just homework, lectures, and grades. It is a time in your life that is very special — a time when you break free from the comforts of childhood and enter, however hesitantly, into adulthood. The faculty and I are quite proud that we may have assisted you in reaching this stage.

You are a wonderful group of individuals. Your four years here have been very successful. I am confident that the future will be equally successful for you. I can say quite honestly you will be missed.

Sincerely,

Helen M. Hegarty
